

WINE CAPTAIN® DRAWER MODEL 2275DWRW

Capacity: Stores up to 43 wine bottles (0.75L)
Defrost Type: Automatic (cycle) Defrost
Colors: Stainless Steel and Custom Overlay Frame

Features & Benefits

Feature	Benefit
Independently temperature controlled drawers	Temperature in each drawer can be set independently between 40-60°F, providing different storage options.
Touch Control Digital Technology	<ul style="list-style-type: none"> • Full-featured, easy-view command center - right at your fingertips • Easy to set and see the temperature in each Wine Captain Drawer • Manages key model functions and provided user alerts
Black interior	Elegant visual appearance
Adjustable on/off interior light	<ul style="list-style-type: none"> • Automatically illuminates when the drawer is opened • May be manually turned on when drawer is closed for viewing wines • Auto shut-off after four hours • Recessed so as not to interfere with access to wine
Open drawer alarm	Audible alert when drawer is left open
Full extension slide-out vinyl-coated wine racks	Allow for easy access to all wine bottles and prevents bottles from slipping
Contoured maple-trimmed wine racks	Wood can be stained or replaced with a solid surface material to match surrounding décor.
Wine Caddy in bottom drawer	Holds 3 bottles, accessible from either side and allows for convenient transportation of wine
Tinted, thermal glass drawer fronts	Protects wine from potentially harmful ultraviolet light rays
Stainless steel model	<ul style="list-style-type: none"> • Offers two seamless stainless steel-trimmed glass drawers with a sculpted stainless steel handle, stainless-like grille and black cabinet • Optional bold commercial-style stainless steel handles available for purchase
Overlay model	<ul style="list-style-type: none"> • A custom overlay frame can be installed to match the surrounding decor. • If a custom frame is not installed, a black sculpted handle must be ordered. • Black cabinet and grille
Black vinyl-clad cabinet	Textured look, more resistant to scratching, peeling or flaking
Built-in	<ul style="list-style-type: none"> • Product designed for built-in look • No additional clearance around sides, top or rear of unit for ventilation. Do not obstruct front grille.
Leveling legs	More precise undercounter fit - durable - factory installed
Sabbath or "Black Out" mode	Easily turns off all lights and control displays
Contemporary grille design	Integrates seamlessly with surrounding cabinets
